

Application Guide

This guide will assist you to submit a successful application for the QTT Grants Program.

Please be aware that you will likely need to spend between 30-60 minutes to complete the application, even if you are prepared by following these guidelines. The application is completed via Qualtrics survey software, and you will receive a confirmation email upon successful completion.

Step 1: Determine Eligibility

Please familiarize yourself with the following grant types and eligibility requirements. **All grant types will complete the same application, eligibility will be determined based on your responses.**

Who is not eligible for any QTT grant?

- Agencies that do not have the capacity and are unwilling to build the capacity to hire and supervise QTTs

Emerging QTT Agency Grant

Emerging Agency Awards are intended to allow an agency that has not historically been able to hire and supervise a post-graduate QTT to begin the preparations to do so using best practices.

Eligibility Requirements:

- Wisconsin mental health agencies that currently hire or may hire post-graduate QTTs
- Emerging agencies must demonstrate an ability to either:
 - Gain resources to expand capacity to hire new post-graduate QTTs in the future
 - Engage in supervisory training for agency staff that may supervise post-graduate QTTs

Expanding QTT Agency Grant

Expanding Agency Grants are intended support agencies that have previously hired post-graduate QTTs by increasing the number of high-quality QTT placements available.

Eligibility Requirements:

- Wisconsin mental health agencies that have previously hired at least one post-graduate QTT.
- At least one person on staff is qualified to supervise QTTs
- Ability to hire at least one more QTT position above the average of the previous two fiscal years

Application Guide

QTT Intern Agency Grant

QTT Intern Agency Grants are intended support agencies that currently host or plan to host graduate level QTT internship/field placements for social work, counseling, or marriage and family therapy graduate students.

Eligibility Requirements:

- Wisconsin mental health agencies that currently host or plan to host graduate level QTT internship/field experience placements.
- At least one person on staff is qualified to supervise QTTs Interns

Supplemental Accommodations Awards

Supplemental Accommodations Awards are intended to provide agencies who have hired a post-graduate QTT with communications-related accommodations with additional funds to offset the costs associated with the provision of those accommodations.

Eligibility Requirements:

- An agency eligible to apply for the Expanding Agency grants may also be/become eligible to apply for the Supplemental Accommodations Award by demonstrating intent to support a post-graduate QTT who has identified needing communication-related accommodations
- Agencies are able to complete activities relating to creation of inclusive materials and accommodations for training and supervision activities
- Agencies can apply at the time of their Expanding Agency application or after receiving an Expanding Agency award

*****Please note agencies that have successfully completed grant activities in the previous fiscal year will be given preferential scoring on their current application. *****

Step 2: Prepare Materials

All applicants are strongly encouraged to prepare these materials **before** beginning the online application process. The [Grant Application Questions](#) will allow you to become familiar with the questions and draft answers offline.
