COMM 351 GAME STUDIES AND DESIGN ... *This course requires students to engage in and analyze a variety of interactive media: games and other forms of play. The goal is to turn a critical consciousness towards an activity that they have engaged in since birth, and consider how play changes when it is electronically mediated. Interactive media fundamentally changes the process of communication because the audience becomes more active. Users author their own experience and this fundamentally changes the role of author/architect of the medium. This course will examine audience/player experience, game/interaction content, and the effects of playing on the players. Students will analyze play experiences and learn how to develop new games.*

MUSC 60 PRIVATE INSTRUMENTAL INSTRUCTION IN THE PRIMARY PERFORMING AREA ... This course is intended for students accepted as probationary music majors. Students allowed to enroll have demonstrated potential in their performing medium, but need to review the basics of playing their instrument and/or need work in some performance skills to catch up to the level of a first term music major. This course counts toward the term credit load and will be computed into the grade point average. It will not be included in the credit count toward graduation. This course is not repeatable. At the conclusion of one term of "0" lessons, the student must reaudition to be accepted as a major in the department. A grade of "C" or lower and/or nonacceptance as a music major will be cause for the removal of the student from the program. **NOTE: Does not count toward degree.**

Section III - College of Business and Economics

LOWER DIVISION (200-LEVEL) ELIGIBILITY:

Students pursuing a Bachelor of Business Administration degree must achieve 24 credits and maintain a 2.50 GPA or better in order to take lower division business courses except BEINDP 101, ECON 201 and ECON 202. Grades received for all appropriate college courses taken at other institutions will be included in determining the student's grade point average eligibility for enrolling in business courses.

Business minors and non-business minors required to take business courses must have at least a 2.00 UW-Whitewater gpa and 24 credits completed to enroll in lower division (200-level) business courses required in the minor.

Non-business majors who are required or who may elect to take business courses in the major must have a 2.00 UW-Whitewater grade point average and must have completed 24 credits to take lower division (200-level) business courses.

UPPER DIVISION (300/400-LEVEL) ELIGIBILITY:

Students in the BBA curriculum are not eligible to enroll in the College of Business and Economics 300- and 400-level courses unless they have 60.0 or more credits to degree, at least a 2.50 cum GPA and have been admitted to the upper division business courses. Transfer students must maintain a combined GPA (transfer and UW-W) of 2.50 to continue eligibility.

Business minors must have a 2.00 UW-Whitewater gpa and 60 credits completed to enroll in upper division (300- or 400-level) business courses. In order to graduate with a business minor, the student must have a 2.25 gpa in the minor.

S/N/C grading may not be used in any business course or any BBA degree requirement unless offered on an S/N/C basis only. Courses in the College of Business and Economics may not be taken on an audit basis. A course cannot be used to satisfy both a BBA degree and a major requirement.

Non-business majors who are required or who may elect to take 300/400-level business courses must have completed 60 credits and have a 2.00 UW-Whitewater gpa to take upper division (300- and 400-level) business courses.

Non-business majors who are not required to take business courses in the major may register for business courses during the first week of classes if all course prerequisites and credits completed (24 for lower division or 60 for upper division) are met, and the student has a 2.50 combined grade point average.

ADMISSION TO UPPER DIVISION BUSINESS COURSES:

When a student is projected to complete at least 54 credits and has satisfactorily completed or is enrolled in ENGLISH 101, ENGLISH 102, COMM 110, ACCOUNT 244, ACCOUNT 249 or ACCOUNT 261; BEINDP 290; ECON 201; ECON 202; ITSCM 280; MATH 143; and ECON 245, the student may apply for admission to the upper division business courses. All students with at least a 2.80 combined GPA will be admitted. Application forms for admission to the upper division business courses are completed at a registration information meeting or online after completion of an online advising exercise.

ENROLLMENT PREFERENCE in all business courses will be given to the following officially declared majors and minors:

- All BBA Majors; integrated science and business; business education; other non-business majors with business course requirements
- Minors; business minors; arts management minors; other minors with business course requirements.

SPECIAL STUDENTS Students admitted with full/complete credentials of all previous post-secondary work (SPFC) may register with the approval of the SPFC advisor (assistant dean of the College of Business and Economics) and special students without full credentials (SPNC) can register on a space available basis with the approval of the assistant dean of the College of Business and Economics, undergradbus@uw.edu, 262-472-4900.

COMMON EXAMINATIONS Certain courses have common exams during the semester when all sections will be tested at the same time. Students should not schedule other classes at those times.

GRADUATE STUDENTS Graduate students must be admitted to the MBA. or MPA.degree program, or to the Graduate Business Foundations, Human Resources Management, or Project Management certificate program to enroll in 500-700 level courses offered in the College of Business and Economics. Only DBA students can enroll in 800-900 level courses. Non-Candidate for Degree (NCFD) students cannot register for College of Business and Economics courses. Exceptions to this policy may be granted to a student enrolled in a graduate business degree program at another accredited institution that wants to transfer the UW-Whitewater course work to their non-UW-Whitewater business degree program. Exceptions must be approved in advance by the associate dean, College of Business and Economics (262-472-1945).

ONLINE BUSINESS COURSES Charges for online business courses are stated with the course listings. The charge is the same for both in-state and out-of-state students.

SPECED 705 PROFESSIONAL PORTFOLIO DEVELOPMENT IN SPECIAL EDUCATION ... This course will prepare practicing teachers to develop professional portfolios. Students can select from three types of portfolios -- a Professional Development Portfolio, a Showcase Portfolio or a portfolio that can be used as part of an application for National Board Certification. The Professional Development Portfolio will assist teachers in meeting the requirements for continuing licensure. A showcase portfolio will assist teachers who wish to move into another professional position. The National Board portfolio is one of the major requirements in achieving National Board Certification. Students will acquire skills in developing and refining artifacts suitable for each type of portfolio. They will learn how to write reflective commentaries, to self-assess their working according to external standards, to acquire skills (e.g. videotaping lessons; developing web pages) that will assist them in producing high quality artifacts representing their best work. Students may take this class up to two times to complete their portfolio.

PREREQ: STUDENTS SEEKING THE MSE IN SPECIAL EDUCATION WILL BE EXPECTED TO HAVE COMPLETED THE GENERAL CORE, THE SPECIALTY CORE, AND THE PROFESSIONAL DEVELOPMENT CORE CLASSES. OTHERS MAY BE ADMITTED WITH CONSENT OF THE INSTRUCTOR.

CHEM 100 EVERYDAY CHEMISTRY (GL) ... A terminal course covering the basic concepts of chemistry and how they relate to our everyday lives. Chemistry concepts are covered at the particulate level and then connected to our macroscopic world. The lab provides deeper exploration and hands-on experiments. This course meets the General Education GL requirement and is designed primarily for non-natural science majors.

Contact the Center for Global Experiences Coordinator: Dan Colleran (collerad@uww.edu), or the course faculty contact: Professor Deller (dellerm@uww.edu) for academic requirements or for more information about the course. Applications are due to the Office of Global Experiences on or before Friday, December 14, 2018. The application is online at www.uww.edu/international. The majority of the estimated Faculty-led course fee, as noted on the course application, will be charged to the student's account when enrolled by the registrar within the first two weeks of the semester. The program fee will be finalized later in the semester when participants have their travel documents and the university paid all expenses on behalf of the student. The student's accounts will then be adjusted if needed. Faculty-led travel study registration is not available via WINS registration. Student participants may not add or drop a travel study course via WINS once it has been added to their academic schedule. Failure to abide by the add/drop provisions of the Faculty-led Travel Study Program could result in severe financial penalties. Students are advised to refer to the application for more information on cancellation and refund policies.
