UW-La Crosse Transfer Checklist

Application Process:

Spring Deadline: April 1 (first day to submit)

Fall Deadline: August 1 (first day to submit), February 1 (final deadline)

Special Note: UW-La Crosse does not have an application deadline. When they have reached the maximum number of students they can enroll in a given term, they will close admissions. They recommend applying for admission as soon as possible.

- Submit UW System application at <https://apply.wisconsin.edu>
- Submit an official high school transcript reflecting high school graduation date.
- Submit official college transcripts from all post-secondary institutions attended, even if no credit was earned. Transcripts should include all college-level coursework completed to date, including (if applicable) college classes taken while in high school.
 - If currently enrolled in courses, a list of courses in progress with course numbers, titles, and number of credits for each course (this requirement will be fulfilled if you complete the UW System application at the site listed above)

Send transcripts to:

UW La-Crosse Admissions Office
1725 State Street
La Crosse, WI 54601

- If you want to earn your Associate of Arts & Science degree before transferring, please confirm your progress with your Academic Adviser.
- Once you have met with your Academic Adviser and know that you are eligible to earn your degree, apply for graduation through your WINS account. Log into WINS, click Academics → Graduation, and follow prompts for AAS.
