2023-2028 UWW Strategic Plan

Feb. 26, 2024 SPBC Update

SP Themes

- Enhance the value of a UWW education
- Create an inclusive environment for student success
- Advance co-curricular experiences
- Deepen a culture of collaboration

We will realize progress through a series of intentional actions to be implemented as early as possible.

The **Strategic Planning and Budget Committee** is responsible for implementing, reviewing and revising the plans as necessary. Additional action items will likely be developed as we move through the plan.

SP Metrics

- Degree and credential attainment
- Graduation, job placement and graduate school placement rates
- Opportunity gaps in retention and graduation
- Student loan debt
- Social mobility index
- Institutional financial health
- Balanced budget
- Employee compensation relative to peers

A metrics dashboard has been created. Please follow the link [here](#).
