

# Student Affairs Priorities

During the 2021-2022 Academic year, the Division of Student Affairs established the below 7 priorities of our work.

## **PRIORITY 1 - STUDENT SUCCESS & EXPERIENCIAL LEARNING**

Providing students with educational and transformative learning experiences outside of the classroom, including support, resources, educational programs and opportunities of engagement and leadership to help students grow academically, personally, and socially.

## **PRIORITY 2 - TELLING OUR STORY**

Increasing awareness to help internal and external constituents understand who we are, the value we add to the institution, and how we contribute to the student experience on campus.

## **PRIORITY 3 - ENGAGEMENT, CONNECTION, & RETENTION**

Implementing purposeful programs, resources, and services to enhance the university's educational mission. Our work cultivates student success through engagement – whether on campus or beyond – which develops a sense of belonging, inclusiveness, and cohesiveness.

## **PRIORITY 4 - SAFETY, HEALTH, & WELLBEING**

Providing and promoting an environment that fosters and supports the holistic wellness of all students to enhance their success on campus. We maintain an awareness of and commitment to the personal safety, security, and overall health for all students.

## **PRIORITY 5 - EQUITY, JUSTICE, & INCLUSION**

Promoting a sense of belonging through our programs, services, and engagements with students and model advocacy and social justice in all our actions.

## **PRIORITY 6 - BUDGET & FISCAL RESPONSIBILITY**

Strengthening existing programs and services that support student success, well-being and engagement; to cultivate a campus community that is supportive, caring and friendly for students and define strategic priorities that will guide our path toward financial sustainability.

## **PRIORITY 7 - FACILITIES, OPERATIONS, & TECHNOLOGY**

Maintain and update the buildings, operations, and technology that provide students with a sense of belonging, holistic student life engagement and activities, and electronic access.
