If you need your diploma name changed, please contact graduation@uww.edu directly to initiate change.

Additional Name Change updates outside of the Registrar's Office may be requested as noted below:

- Campus Directory – University E-mail/Net ID – this must be done as a self-service request with ICIT http://www.uww.edu/Documents/icit/Policy%20Documents/Net-ID%20Change%20request%20form.pdf
- University identification cards will need to be requested by the student to have each reprinted (HawkCard, employee badges, etc.) at the HawkCard office.

The University of Wisconsin – Whitewater may deny a request for a preferred name if the use of the student's legal name is necessary for educational or campus life services, to verify the identity of an individual, to provide services that may require the use of a legal name, or as otherwise required by law or policy. The University of Wisconsin – Whitewater may remove or deny the preferred name usage if the name is used in a derogatory or inappropriate manner by the student, including but not limited to, using foul or inappropriate language, names submitted to avoid legal obligation, and names used to create misrepresentation.
