*Once you've completed your three activities, you'll receive an email in 2-3 business days from our partners at Onbe with a link to confirm your payment. From here you'll be able to select a virtual or physical prepaid card. If you have not made a selection within 30 days, then a physical prepaid card will automatically be shipping to your address on file with your employer.

*The Well Wisconsin incentive program is a voluntary program available to employees, retirees and spouses enrolled in the State of Wisconsin Group Health Insurance Program, excluding Medicare Advantage participants who have incentives available through their health plan. The Well Wisconsin incentive will automatically be issued to eligible participants upon completing the applicable activities. All wellness incentives paid to participants are considered taxable income to the group health plan subscriber and are reported to their employer, who will issue a W2. In some cases, the Wisconsin Retirement System acts as the employer. Retirees, continuants and their spouses will have some taxes withheld from the incentive amount earned. Members enrolled in UHC's Medicare Advantage program are not eligible to receive the wellness incentive through WebMD.

*This event is voluntary. It does not take the place of your doctor's care. The health-screening and health assessment do not diagnose problems or recommend treatment.
